Agreement

The Exhibitor agrees to the following terms and conditions between the Exhibitor and the Gateway Parrot Club, Inc (GPC). The Exhibitor also agrees to comply with requests by Officers of the GPC during The All-American Hookbill Fair (Fair).

Location and Hours - The Fair will be held at Machinists Hall, in Bridgeton, MO, the Hall, August 28 – 29, 2010. The Fair will be open to the public Saturday, 10:00 AM – 6:00 PM and Sunday, 10:00 AM – 5:00 PM. Exhibitors will have access to the hall Friday from noon to 9:00 PM for setup and bird care. Exhibitors will have access to their booth Saturday 8:00 AM - 9:00 PM, and again Sunday from 8:00 AM for bird care.

Displays – Exhibit space includes the area(s) listed on the application. Exhibitor agrees to keep exhibit space clean and staffed at all times during public Fair hours. The GPC reserves the right to restrict exhibitor because of noise, method of operation, materials or odor, and prohibit or remove any exhibit which, in the opinion of the GPC, may detract from the standard of the Fair. This includes persons, things, conduct and printed matter as well as sick or unhealthy looking birds and/or dirty cages.

The Exhibitor is liable for delivery, handling, sound engineering, structural integrity, erection and removal of their own displays and materials and safety of all birds. Exhibitor accepts responsibility for any damage that may result, directly or indirectly, from their employees, exhibit or its contents.

Liability Limitation - Neither the Hall nor GPC is responsible for injury, damage nor loss of property of any kind whatsoever, whether by Exhibitor, his agent, employees, guests, anyone visiting or otherwise. The Exhibitor accepts full responsibility for all injury and damage arising out of their exhibit. Exhibitor hereby agrees to indemnify and hold harmless GPC and others lawfully on the exhibit floor from and against any claim, loss, liability or damage as a result of their exhibit or furnishings and behavior of its birds.

Property Damage To The Hall - Exhibitor is liable for all damage to building, floor, walls, columns, or booth, equipment and to property belonging to other exhibitors. Exhibitor may not alter building or surroundings. Nothing shall be nailed, stapled, taped or otherwise affixed to the walls, floor or any part of the building. Electrical cords may be secured to the floor with tape that is completely removed, including adhesive, at end of Fair.

Safety Regulations - Exhibitor will comply with all applicable national, State, local and building regulations. All fire codes, laws, ordinances, regulations and health and safety standards must be strictly obeyed. Any activity which obstructs an aisle is prohibited. Any Exhibitor requiring use of chemicals or gases must consult with the fair coordinator, prior to fair dates, to ensure compliance with applicable restrictions and regulations.

Give-Aways - Exhibitor give-aways may be distributed only from the Exhibitor's space, not from aisles or other exhibit spaces.

Payment Terms - Full payment and application must be received by July 31, 2010. Space is assigned on a first received, first served basis. Confirmation of booth assignment will be made by postal mail on August 2, 2010. Vendors from the 2009 Fair may reserve their previous space, or request priority assignment of an alternate space, by submitting their paid contract by June 30, 2010.

Conduct Considerations - The GPC has the right to restrict Exhibitors who interfere with the interest of the Fair. Any use of audio/video equipment must not interfere with neighboring Exhibitors. Any Exhibitor who disturbs other Exhibitors, guests or GPC will be considered in breach of this agreement.

Management Prerogative - The GPC reserves the right to deny participation to any company, organization, association, club or individual, whose presence is deemed inappropriate or not in the best interest of the Fair. This decision is solely at the discretion of GPC. Therefore, the tender of this contract shall be considered an offer to take exhibit space at the Fair, and the GPC has the right to reject said offer. Upon such rejection, all monies shall be promptly returned to the applicant at the address on the face of this contract.

Exhibitor Cancellation and Refund Policy - An exhibitor may cancel all or part of a contracted space by submitting written request, received by July 30, 2010. Upon timely receipt of cancellation notice, Exhibitor will be entitled to a refund of one half, 50%, of the value of the cancelled space.

Cancellation Of The Fair - If for any reason, the Fair is cancelled, due to act of God, strikes, fire, calamity, national emergency, earthquake or any reason beyond the control of the GPC, Exhibitor's payment will be refunded. In the event of cancellation, the Exhibitor agrees to hold harmless the GPC and the Hall.

Unweaned Birds – The GPC believes strongly it is a mistake to sell unweaned birds to the general public. Therefore, unweaned birds may not be involved in any transaction, or displayed at the Fair. A transaction here refers to arrangements for the transfer of ownership, at any time, of a currently unweaned bird. The GPC would prefer unweaned birds not be brought to the Fair, but if necessary for their maintenance, they should be kept from public view. Public display or handling of unweaned baby birds is strictly forbidden.

Breach – Exhibitors violating or not fulfilling the terms of this agreement, as determined by GPC Officers, may be removed from the Fair.

DISCLAIMER

It is hereby expressly agreed that the owners of birds acknowledge and voluntarily agree that they shall assume sole responsibility for any illness, diseases contracted by the birds, injury or death.

They further agree they will indemnify and hold harmless the Gateway Parrot Club, Inc. from and against any and all claims, damages, losses or expenses of any nature whatsoever, including reasonable attorneys' fees in defense of any claim arising out of any loss sustained by the owner by reason of injury, illness, death or property damage while the bird(s) is/are at the Gateway All-American Hook Bill Fair and Seminar.

The parties further agree that the laws of the state of Missouri shall be controlling in the enforcement and interpretation of this agreement with any issues to be heard in the Circuit Court for St. Louis County, Missouri. The owner specifically waives any law of the State of Missouri contrary to the enforcement of the intent of this agreement.

The parties hereto certify that they have carefully read and understand the foregoing agreement and freely and voluntarily execute it being duly authorized to do so.
